

Our Company & Philosophy

U. S. Sedan is locally owned and operated and has grown to be the preferred chauffeur company with affiliates and locations servicing the greater DC metropolitan area and 570 cities worldwide.

At U.S. Sedan, our philosophy is to provide you with service that exemplifies superb quality, security and professionalism. Our commitment to a job well done is our reward. U.S. Sedan imparts the same expert level of service and attention to each and every client we serve.

Our Staff

Professional and experienced Chauffeurs are the backbone of U.S. Sedan Service. Our chauffeurs are thoroughly screened, including background checks and drug screenings. Each driver completes a comprehensive certified training program, regardless of their prior experience.

Each professional chauffeur has security clearance to permit service in restricted locations. Their extensive local geographical and technical knowledge allows for a quick response to changing road environments and itinerary modifications, which ensures punctuality for our clients.

Our Record

U.S. Sedan leads the Washington, DC metropolitan area in quality rankings. We were rated #1 in service and maintain the highest quality rating by Affiliate Ranking. Additionally, U.S. Sedan received the highest rating available from a recent Department of Transportation audit. We are the preferred transportation provider for Ritz Carlton hotels, Landmark Aviation, Signature Aviation, and most major embassies in Washington, DC. We pride ourselves on our record and strive for excellence in everything we do.

Diplomatic Services

U.S. Sedan is very experienced in providing services to diplomatic personnel and executives. Our diplomatic accommodations include satellite radio and television, which allow en route access to developing news and global events and international programming.

With our technological support and 24 hour accessibility we respond immediately to your special requests and itinerary changes. We provide a manifest depicting travel time for accurate scheduling between important meetings and events.

Our thoroughly screened chauffeurs uphold the highest level of professionalism. Each driver is geographically proficient and has the latest in mobile technology to allow seamless adaptation to schedule changes. For added convenience, U.S. Sedan's drivers maintain security clearances permitting access to locations otherwise restricted from the general public.

We also have an in-house concierge who can assist you with changing plans during trips, including reservations, itinerary, and customized sightseeing tours. To ensure each reservation is carried out seamlessly, our courteous telephone representatives are in constant contact with our chauffeurs.

Upon request, U.S. Sedan Service can arrange for special security services including Armored Transport Vehicles, Motorcade Security, Executive & Diplomatic protection, Security Escorts and Bodyguards for added safety.

Global Reach

We provide service to 650 locations in 570 cities worldwide through our affiliate network and we service 700 commercial airports and 5,000 general aviation terminals globally.

Technology

U.S. Sedan offers the most advanced GPS, weather, and on-board flight tracking capabilities in the industry. We can monitor and track your vehicle by GPS so that you are aware of its location and anticipated arrival times.

Our Fleet

Stunning executive Mercedes, Cadillac, and Lincoln sedans, SUV's, limousines, and specialty vehicles make up our meticulously maintained fleet. We go to great lengths to ensure the vehicles we operate are in pristine condition. Each vehicle is expertly serviced and professionally maintained and all are well-equipped with the latest technology and features you come to expect from a luxury car.

Our extensive selection and personalized services guarantee that we can accommodate any transportation requirement you may have.
